STEP 1. MAKE PETALS

Use the Easy Corner Triangle Method: mark a pencil line along the diagonal of the wrong side of each [B] Leaf fabric square. Align with the corner of [A] square. Sew on the pencil line. Cut ¼" away from line and press. Repeat on to make 2 of each color pairing as shown.

Add light/dark petal [B] squares to the opposite corners using ECT method. Make 2 of each combination as shown.

Join 4 petal blocks to make rose center.

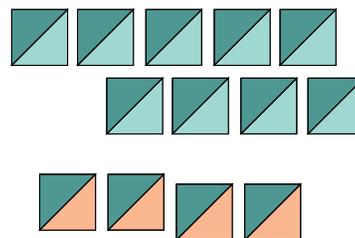

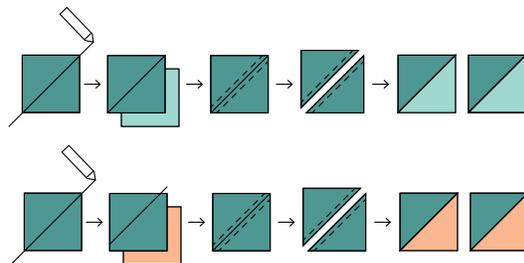

STEP 2. MAKE HALF SQUARE TRIANGLES

Draw a pencil line on the diagonal of each [C] leaf fabric square. Pair a background [C] square, right sides together. Sew ¼" away from each side of the marked line. Cut apart on the marked line and press.

Trim to:
6" finished block - 1½" square
12" finished block - 2½" square

Repeat to make 12 total half square triangles in combinations shown.

STEP 3. ASSEMBLE BLOCK
