

COUNTRY ROAD

by **HOLLY TAYLOR**

It's a bright fall day and the leaves are turning to red and gold. Over the crest of a hill, the steeple of a church comes into view and you make your way into a little town you've not seen before. Covered bridges, stone walls and red barns create a pull to live the country life. Crossing a winding river into rolling hills with farms dotting the landscape, you come to a roadside stand where a young boy is selling vegetables raised on his parents' farm, Sunlight Harvest. After making a purchase, you're on your way, rich in the knowledge that this is where you want to be one day.
