Frankie is a trip back in time to checked linoleum floors, red vinyl chairs, funky floral wallpapers and cabinets in cheerful yellow. There's even a wedge salad and a slice of pineapple upside-down cake on the table! Are you picturing it?

Frankie embodies a care-free, vintage vibe that allows our imagination to slip back in time. Full of funky florals, simply sweet dots, and rad-tastic geometric prints that are perfect for all your stitching needs, Frankie's decisively retro and eclectically vibrant charm will fill your creative soul like a good jello mold.
