

Sunnyside

by camille roskelley

One of my favorite classic songs is called “On the Sunny Side of the Street” and it puts a smile on my face every time I hear it:

*“Grab your coat and get your hat
Leave your worry on the doorstep
Just direct your feet
To the sunny side of the street
Can’t you hear a pitter-pat?
And that happy tune is your step
Life can be so sweet
On the sunny side of the street”*

Inspired by this cheerful song, my new Sunnyside collection was such a ray of sunshine to design. Staying true to my favorite vintage modern style, it is full of beautiful vintage florals complimented by sweet basics in a fresh new color palette. Coastal blues blend with with olive greens, mulberry, coral pinks, and even some soft oranges for added sunshine to create a timeless feel. It is such a joy to sew with, and sure to brighten even a cloudy day. Come join me on the sunny side of the street.
