The Sea and Me celebrates mermaids and underwater creatures with a sophisticated take on the many mythical beings living in the beautiful sea. Water sprites and schools of fish swim alongside ocean botanicals to evoke the movement and serenity of the deep blue sea. Soft colors of coral, green and aqua create an ethereal and breezy feel akin to the wash of a gentle surf. Five quilt designs capture the essence of the collection.

There are two sure-to-please panels for The Sea and Me - a trio of mermaids are accompanied by their little sea-creature buddies, and a fabric book filled with underwater creatures and humor. Both make a great addition to any child's toy collection.

If you're looking for an adventure at the beach, or in the water, The Sea and Me will take you there.
