

Country Road Flannel Kansas Troubles Quilters

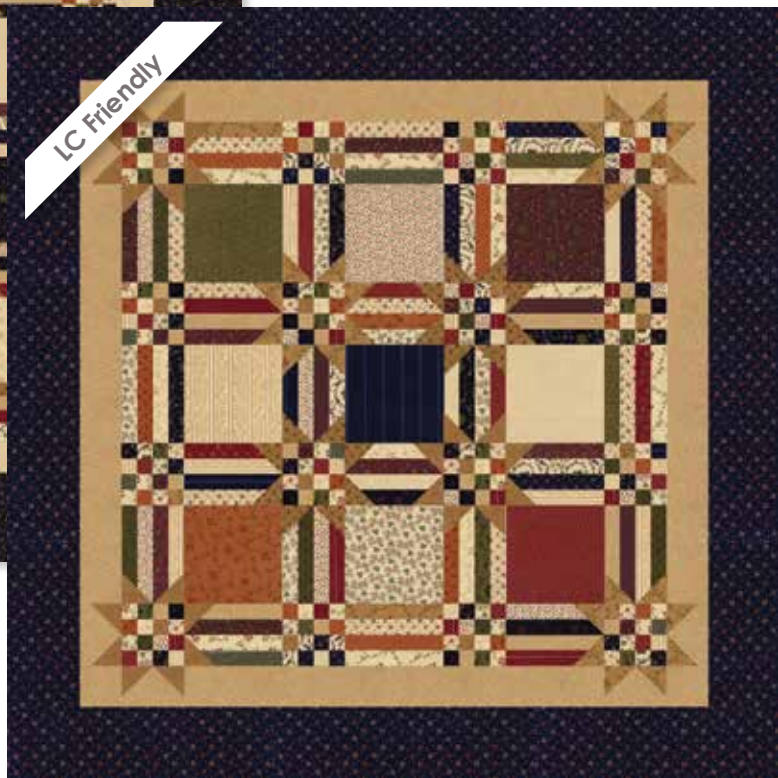

Imagine a picture perfect spring day... you're having a picnic with your grankids in the yard, or maybe you're lying on the grass watching the 4th of July fireworks under the stars. Can you see yourself sitting by a crackling fire roasting marshmallows in October? Or sipping cocoa curled up in your favorite chair admiring the Christmas tree lights? We have a quilt for that!

Our Flannel Days, Starry Nights quilts are designed to go together quickly and enjoy throughout the year. Choose a light-weight throw – sans batting – layered with our wide flannel backing for spring or summer. Add cotton batting for a cuddly quilt when the weather gets a little colder in fall and winter. We have the perfect star for any season. A flannel Layer Cake can be the starting point to create lap or bed-size quilt with Crossroads and Rambling Road. Simple, strippy construction equals quick results for soft and cozy quilts for your home.
